Dear Adheena,

**Conditional Offer of employment**

**Job details**

Further to your recent interview for the post of Registered Nurse, I am delighted to be able to offer you this position.

You will work initially to a Band 4 Pre-registration Nurse Job Description until confirmation of your Nursing and Midwifery Council (NMC) registration is received. This is a full-time, permanent position, of 37.5 per week on a Band 4 salary of £21,089 per annum (pro rata for part time hours).

Upon confirmation of your full NMC registration NNUH will continue to sponsor you as a nurse and your salary will be amended to the Band 5 scale from £24,214 per annum pro rata to reflect this.

To achieve your NMC registration as a nurse will mean that your employment will be subject to the conditions outlined below:-

- Following your arrival in the UK you will be required to sit an Observed Structured Clinical Examination (OSCE) to obtain Nursing and Midwifery Council registration no later than 3 months after the employment start date stated on your Certificate of Sponsorship
- You will have three attempts to achieve your OSCE qualification (an initial sitting, and two full or partial re-sits) as part of one NMC application.
- If you are not successful at your first OSCE, you will need to wait a minimum of 10 working days before you can take the examination again. If you are unsuccessful at your second OSCE, you will need to wait a minimum of three months from the date of your second attempt before you can take the OSCE for the third time
- If you are unsuccessful after your permitted attempts, your NMC application will close.
- If you do not achieve full Nursing and Midwifery Council registration within 8 months of the stated employment start date, Norfolk and Norwich University Hospitals NHS Foundation Trust (NNUH) will have to cease sponsoring you
