16. World Health Day

**Place:** Karad

**Date:** 7<sup>th</sup> April 2019

**Event:** World Health Day

The Department of Public Health Dentistry, School of Dental Sciences, Krishna Institute of Medical Sciences Deemed University, celebrated 'World Health Day' this year by organizing a Health Awareness program under the guidance of Dr. Shivakumar KM (Head of Department). This year 'World Health Day' took place under the theme of 'Universal Health Coverage: Everyone, Everywhere'. It highlighted the importance of accessibility of basic dental services for everyone.

Health awareness program was conducted. On this occasion a health talk regarding oral hygiene maintenance and importance of oral health was given by the interns on the department at the cottage hospital, Karad. This opportunity was used to improve the awareness among the residents of Karad and nearby villages. Information regarding basic self- screening techniques for oral diseases, prevention of oral diseases and also regarding their current oral disease status and Available treatment options was given. Commensurate with the theme Department made a provision to provide affordable basic dental services through concession cards to the needy.

Dr. Shivakumar KM (Head of Department), Dr. Shriram Kulkarni (Senior Lecturer) and Dr. Vaishali Mashalkar (Senior Lecturer), Dr. Pratiksha Panhalkar (Asst Lecturer) participated in the program. The interns and students of School of Dental Sciences enthusiastically participated in the program and made it a grand success.

### **37. AIDS RALLY**

**1<sup>ST</sup> DECEMBER 2018**

Krishna Institute of Nursing Sciences, Karad has actively organized AIDS rally on 1<sup>st</sup> Dec. 2018. The Programme was organized under the guidance of DR. V. R. Mohite, Dean faculty of KINS & ART Department and Team of Venutai Chavan Sub District Hospital Karad. We conducted rally to create awareness & to reduce stigma with involvement of 3rd Yr. GNM Students & one Teacher Mrs. Mane Ujwala. For this programme, main guests were Mrs. V. Gaikwad Nyayadhish Karad, Chief Guest (THO) Korbu, Dr. Prakash Shinde, Medical Superintendent. The route of rally was from Karad bus stand to Dr. Babasaheb Ambedkar Stadium & towards District Hospital Karad. Speech given by Dr. Prakash Shinde on health awareness related to HIV/AIDS to community people.

After the rally, they offered a cup of tea and biscuits for all students & participants. We completed the programme successfully.

#### 54. World Cancer Day

**Place: Karad**

**Date: 4<sup>th</sup> February 2018**

**Event: World Cancer Day**

The Department of Public Health Dentistry, School of Dental Sciences, Krishna Institute of Medical Sciences Deemed University, celebrated 'World Cancer Day' this year by organizing a **HEALTH EXHIBITION – CANCER** in Vadgaon Haveli village in Karad Taluka, under the guidance of Dr. Shivakumar KM (Head of Department). Awareness on risk factors of oral cancer, the modes of prevention of cancer along with information on the available treatment modalities. Health education was given to the patients in the premises through a lecture by the interns of the department. Health education pamphlets were distributed to the patients in the hospital and the general public outside the premises. The pamphlets provided information on oral cancer etiology, prevention, importance of early diagnosis with emphasis on self screening for early signs of cancer, treatment modalities of oral cancer.

This program was organized by Dr Snehal Patil (Assistant Professor), under the guidance of Dr. Shivakumar KM (Head of Department). Participated in the program. The interns and students of School of Dental Sciences enthusiastically participated in the program and made it a grand success.

**55. No Tobacco Day 2019**

**Place: Karad**

**Date: 31<sup>st</sup> May 2019**

**Event: No Tobacco Day**

The Department of Public Health Dentistry, School of Dental Sciences, Krishna Institute of Medical Sciences Deemed University, celebrated 'No Tobacco Day' this year by organizing a **Health Awareness Rally** under the guidance of Dr. Shivakumar KM (Head of Department). This year 'World Health Day' took place under the theme of "**Tobacco and heart disease**". It highlighted the link between tobacco and heart and other cardiovascular diseases (CVD), including stroke, which combined are the world's leading causes of death.

Rally was conducted in Karad city with the enthusiastic participation of the interns, students and the general public. The rally started at the university campus and passed through the Datta Chowk and proceeded to the bus stand. On this occasion a health talk regarding harms of tobacco to heart health, and the availability of solutions to reduce related death and disease was given by the final year students (Miss Vaishnavi Dhok and Mr Shardul Taware) of the department at the Bus stand, Karad. This opportunity was used to improve the awareness among the residents of Karad and nearby villages. Life size models of the cigarette and smokeless tobacco product were prepared and were used for a campaign to pledge for the fight against the use of tobacco. Health information pamphlets were distributed in the local languages to everyone at the premises.

Dr. Shivakumar KM (Head of Department), Dr. Shriram Kulkarni (Senior Lecturer) and Dr. Vaishali Mashalkar (Senior Lecturer), Dr. Pratikshapanhalkar (Asst Lecturer) participated in the program. The interns and students of School of Dental Sciences enthusiastically participated in the program and made it a grand success.

**The staff, interns and the final year students participating in the rally**

### 57. World Environment Day- 2018

#### Theme "Beat Plastic Pollution"

"BEAT PLASTIC POLLUTION" is the theme for World Environment Day 2018, is a call to action for all of us to come together to combat one of the great environmental challenges of our time. The theme invites us all to consider how we can make changes in our everyday lives to reduce the heavy burden of plastic pollution on our natural places, our wildlife – and our own health. While plastic has many valuable uses, we have become over reliant on single-use or disposable plastic – with severe environmental consequences.

Considering these objectives, Krishna Institute of Nursing Sciences, Karad has organized "World Environment Day- 5<sup>th</sup> June 2018" Teaching faculty of KINS & Nursing students conducted following activities-

- Oath for protection of Environment
- Tree plantation
- Watering to the trees
- Cleaning of environment
- Collection of plastic waste
- Speeches by Students & Teachers

Introduction of the theme done by Mr. N.R. Kakade in his speech he told the how plastic waste is dangerous to the community. Plantation done by DR.Mrs. Vaishali R. Mohite, Dean KINS & Prof. Mr. Avinash Salunkhe, Vice Principal with other teaching faculty at KINS campus. Ms. Latasha Dhurandar spoke on "Importance of world environment day". Ms. Priyanka Bhandalkar spoke on "prevention of plastic pollution". Ms. Aarti Bodre & Ms. Supriya Jadhav talk about "conservation of electricity & water." Ms. Sneha Jamdade talks about "Go Green environment". Overall activities are planned & conducted by Mr. N.R. Kakade, Mr. Shivaji Pawar & Mrs. Manda Mulik under the guidance of DR. V.R. Mohite Dean KINS Number of Teachers Participated: - 2

#### 436. ORAL HEALTH AWARENESS AND SCREENING PROGRAMME

The Department of Public Health Dentistry, School of Dental Sciences, Krishna Institute of Medical Sciences Deemed University, conducted an oral health screening and awareness programme at **Zilla Parishad School, Karve**. A health talk regarding oral hygiene maintenance and importance of oral health was given by the interns of the department. This opportunity was used to improve the awareness among the children and the school teachers regarding basic self- screening techniques for oral diseases, prevention of oral diseases and also regarding their current oral disease status and available treatment options. The programme was a grand success due to the active participation of the students and teachers of the school.

**441. PHYSIOTHERAPY SERVICES**

A health check up camp was conducted at Pandharpur which is 141 kms. From KIMSDU on 19/07/2018. The camp was organised by KIMSDU which was beneficial for the villagers as there is no any facility for physiotherapy in the village. The team of doctors were headed to the village by bus organised by the college. The team of doctors included one member from each faculty. Dr. S Anand with five students attended the camp from physiotherapy department. A total of 22 patients were screened, assessed and treated by physiotherapists. The camp duration was from 9:00 AM to 5:00 PM. Patients who required physiotherapy treatment were screened, assessed, consulted and treated. The camp was found to be of great benefit to give physiotherapy consultation as well as to spread awareness of physiotherapy. The camp was found to be of great benefit to villagers as well as for students.

##### SPECIAL PHYSIOTHERAPY LECTURE FOR ADOLESCENT GIRLS

A Guest Lecture was organized specially for adolescent girls at NCC, Kolhapur on 22/07/2018. The team of doctors was headed by members of OBGY department with staff members of Krishna College of Physiotherapy Dr.Pranjali Gosavi and Dr.Sayali Gijare. The lecture was delivered by Dr.Pranjali Gosavi, from Faculty of Physiotherapy and the motto of the lecture was to create awareness regarding the role of physiotherapy in adolescent girls as well as educating the girls about their own problems and ways to overcome them. Around 250 - 300 girls were made aware regarding the role of exercises in their condition. The session included use of various objects which are easily available at home such as a towel or a wand to perform different exercises. Girls not only received information regarding the exercises. The lecture was found to be of great benefit for spreading awareness of physiotherapy.

##### SPECIAL FEATURES OF THE LECTURE:

1. The girls were advised regarding the importance of Physical education.
2. Importance of Hygiene and Nutrition were discussed.
3. General information regarding some of the conditions the girls face during her Adolescent age.
4. How to overcome the symptoms with the help of physiotherapy measures.
5. Simple exercises were demonstrated to the students.
