MANDESH MARATHON

Vaduj Runners Foundation organized its very first and one of its kind "Mandesh Marathon" on 1st December 2019 in Vaduj. This marathon is inspired from renowned marathons like Comrades Marathon and Satara Hill Half Marathon. The theme for the marathon was "Run for water- Run for Life."

Even the venue of the marathon was decorated with Mandeshi-theme wherein various aspects of the rural India were depicted through small sceneries.

More than 3000 runners were a part of this mega event. 21 km runners were flagged off at 6:00 a.m followed by 10 km runners and 3 km fun-run participants.

Brand ambassador of the Mandesh Marathon was Mrs.Lalita Babar, Arjuna Award winner and current Indian national record holder for the 3000 metres steeplechase category in which she predominantly competes. She displayed perfect example of sportsmanship by voluntarily completing 10 km run.

Dr.Prasannajeet Pramod Nikam from the Sports Physiotherapy department of Krishna Institute of Medical Sciences Deemed to be University, Karad led the physiotherapy team of 10 physios. Physiotherapists played a very vital role in identifying potential cases of heat stroke, dehydration, burn-outs etc and other mechanical injuries like muscle strains, sprains, spasms, recurrent crampings, wounds, abrasions etc.

Dr.Ajit Inamdar from the core organizing team thanked and felicitated the physiotherapy team for their valuable support provided at the venue.

Report of Marathon

15th December 2019

The Garware Wai Hillside Half Marathon (WHHM) sponsored by Garware Technical Fibres is organised by Mandhardevi Athletics Foundation. This non-profit organisation is formed by players and enthusiast from Wai. Its main aim is to create health awareness among the entire local community to build a healthy nation.

The 2nd edition of WHHM was organized on 15th December 2019 at Dravid High-school Ground in Wai Taluka of Satara district. Nearly 3,000 national as well as international participants witnessed this unique running event. Elite athletes from Kenya, Nigeria, and America etc were a part of this edition.

To provide a great experience, the route for WHHM was the road which crosses through ancient Wai, alongside Krishna River with a great view of Dhom Dam. Once the runners reached Dam, the enchanting view of water, panchgani hills, Pandavgad Fort and many other hills around just mesmerized them.

A team of 30 physiotherapists led by Dr.Prasannajeet Nikam, Department of Sports Physiotherapy, Krishna college of Physiotherapy, was present at the venue as the Recovery team. Physiotherapy provided by the team was of great help to the runners post-run.

This event was brought into reality by some hardworking dedicated players to promote and develop sports culture in Wai. Mr.Rajkumar Kochale, Race Director, thanked the physiotherapy recovery team for their impeccable contribution.

Report of Satara Kaas Heritage Hill Marathon (SKHHM)

The first edition of the prestigious Satara Kaas Heritage Hill Marathon was organized in satara on 10th November 2019. This unique marathon was organized as well as title-sponsored by "SWARANG"- an upcoming marathi entertainment channel.

Satara, which is blessed with beautiful nature, hosts numerous marathons throughout the year. A team of 30 physiotherapists led by Dr.Prasannajeet Pramod Nikam, Assistant Professor, Department of Sports physiotherapy of Krishna College of Physiotherapy, Karad; provided physiotherapy assistance to the 2,000+ runners who participated in the marathon. Physiotherapists treated the runners for injuries like sprains, strains, cramps, muscle spasms etc.

Post-run cool- down methods like stretching, icing-bath, vapocoolant sprays etc. helped the runners to reduce fatigue and thus inturn speed up recovery.

The occasion was lightened up by the presence of Marathi celebrities Ketaki Narayan & Anvita Phaltankar who had come for the promotion of their upcoming Marathi film "GIRLS".

Mr.Sandip Shinde; President (SKHHM), congratulated and felicitated the entire physiotherapy team for the support and efforts.

In India Diwali is biggest festival of year and it's also called as festival of light hence every year fireworks were used for lightning in huge amount at all villages in India. Fireworks are highly inflammable, dangerous, and chemical based mixture which contain large amount of chemicals like Copper, Nitrate, Lead, Sulphur, cadmium, Potassium and manganese which adversely effect on human health and produce many diseases in human body. Sound of fireworks near about 125 dB which produce biggest noise and increase sound pollution which is hazardous for heart patient and it is cause of accidental deafness. Other pollutant like So₂, Co, co₂ produces during explosion of fireworks and it was major cause of air pollution. It's also cause of formation of Photochemical smog in air which cause road traffic accident during winter season. Because of all these reasons institute take initiative to aware people for Fireworks free celebration of Diwali at adopted village Dushere.
